

THE **ROOTS** OF **LOVE**

FAMILY CONSTELATIONS

June 7 to 15 - 2019 - in Spain

FACILITATOR

SVAGITO LIEBERMEISTER

with VEDANTA SURAVI

PART 2: BEYOND FAMILY

In level 2 we explore more complicated issues and their underlying family dynamics, like addiction, abortion, adoption, sexual abuse and others. We also look at what is at the source of many sicknesses and bodily symptoms, and how to work with them systemically.

Participants will learn how to facilitate Family Constellation sessions, following the understanding and observations of the systemic field and the movements of the representatives. The role of the facilitator and his inner attitude will be examined, and we explore how to help the intrinsic love of a family come through and to find solutions to many kinds of problems.

Some other topics include:

- ♥ Recognising and supporting healing movements ('movements of the soul').
- ♥ The interview before a constellation: how to gather relevant information.
- ♥ Constellations in individual sessions: working with symbols.
- ♥ Steps to setting up constellations.

- ♥ When to end or interrupt a constellation.
- ♥ The functioning of systems other than family systems (such as work teams; organisations; the body as a system).
- ♥ Practise of constellation work.

The movement within the constellation that takes us 'beyond family' and 'beyond blind love to conscious love' is part of an inner growth process that brings the individual in deep synchronicity with life itself, and into real and joyful aloneness. Only out of that true capacity to be alone can a healthy relationship become possible.

In this training each participant will experience and understand family conditioning and have the opportunity to put up his own constellation. We will also learn by watching and taking part in other participants' constellations. The process of this work will be made transparent as the therapist explains step-by-step what is happening within each constellation and how the source of love can be found.

* 2 Daily active meditations are an integral part of this training.

We include the latest findings and the most recent approach of how to work with family systems.

Prerequisite for booking: Previous experience in Family Constellation work or a personal interview with one of the training leaders.

"When the family has been brought into its natural order, the individual can leave it behind him while still feeling the strength of his family supporting him. Only when the connection to his family is acknowledged, and the person's responsibility seen clearly and then distributed, can the individual feel unburdened and go about his personal affairs without anything from the past weighing him down or holding him back."

- Bert Hellinger (from a seminar transcript) -
